

Roxbury Village Park Development Committee Meeting
Thursday January 26 at:1 PM at the Roxbury Community Center

Agenda

1. Approve minutes from the January 5, 2023 meeting.
2. Finalize the budget for the Roxbury Park Grant with the belief that we can raise one third of the requested grant funds from the community within 60 days following the launch date of the campaign.
3. Finalize, print, address and stamp the donor letters to businesses and supporters so they are ready to go into the mail on the launch date.
4. Organize a community outreach to make as many people as possible aware of the grant constraints that we are operating under and the consequences if we do not meet our required one third contribution goal.
